All,

Here is a cleaned up (and then further edited) version. I accepted Jim Curtin's changes and have made a few more of my own. There are several places where Jim C has questions that I don't know how to answer, as well as a few outstanding questions that I had. I'm still futzing with it a bit, but I'm sharing now so that folks have more time. Note that I've put it back on sharepoint (mine, because I don't think I can edit Chris') to aid in version control.
